Discounts/trailing credits under this program are offered and paid only with the expectation that participating retailers are passing a \$200 instant rebate at POS in addition to whatever other promotions or offers are already running and/or planned.

Reporting: At the close of each of the program periods, participating retailers must report their on-hand and sell through quantities of all Sony BRAVIA TV and Blu-ray Disc Player Products.

Deviations from any of the guidelines defined in this Program will need to be submitted to and approved by Sony's Strategic Planning (SSP) team in advance and in writing.

Claim Submission & Payment: All claims submitted to Sony for the trailing credit amounts must be received no later than close of business December 20, 2008. Sony reserves the right to reject any trailing credit claims received after this date. Program claims must be submitted as a single package document (participating retailer shall submit all paperwork in a single claim for the entire program). Action Link will randomly be auditing floors to verify that dealers are in fact passing the discounts through to consumers in addition to whatever other TV and Home Theater promotions they are offering.

Please note that any deviation from these terms and conditions will result in Sony's refusal to pay trailing credits.
